

2010 State 4-H Horse Show

UK COOPERATIVE EXTENSION SERVICE
University of Kentucky – College of Agriculture

DEDICATION

Larry & Linda Starnes

Larry and Linda Starnes's commitment to the equine industry is beyond question. They have spent the past 30 years encouraging 4-Hers, adults, and community members in all aspects of equine education, management and competition. There is no way to calculate the enormous amount of time that they have given to the 4-H program as a whole. They have always guided and assisted the leaders of Edmonson County Extension service and have served as 4-H leaders in that county for over 20 years. Larry and Linda have been avid Walking Horse advocates both locally and nationally and have worked under some of the nation's most popular horse educators and trainers. Linda thrives on being able to share the many training techniques and tips that have worked for her with 4-Hers from all over the district and state. Larry has served as the chairman alongside Linda for numerous years at the South Central Kentucky Horse Camp. Together they have the ability to manage an event of this magnitude and to still have energy left over to spend helping the kids.

They also serve on the District Horse Council and have served many years on the State Horse Advisory Committee. Larry and Linda have also assisted with many of the state level programs throughout the years such as the Kentucky 4-H Volunteer Program, the Kentucky Horse Council, Mammoth Cave Equine Trail Riders Association, TWHEBA, WHOA, and KEEP. Yes, they truly are Horse Advocates for all aspects of the equine industry. They are always willing to work any discipline of the district or state horse show. Their greatest contribution has been the willingness to help in any and all aspects of 4H, even after their own children were no longer participants. Linda is continually bringing to 4H new ideas collected as she participates in many other horse organizations. They always have smiles on their faces and are enthusiastic as they strive to teach the youth something new and exciting along the way.

They both receive high praise from their fellow leaders in District 6. "When I hear the names of Larry & Linda Starnes mentioned I know that whatever they are involved in will be a first class project. They never hesitate helping out when needed or taking the lead on a major event. I don't know of many people that have not heard of or worked with Larry and Linda over the years and I am sure that all of them will take away good memories of the occasion. These two are definitely Top Class Individuals." Another has said, "The evaluation forms we receive following our district horse camp each year tell you just how much these two are appreciated by youth and adults alike. They always have the largest number of positive evaluations."

Larry and Linda have gone above and beyond the call of duty when supporting any 4-H activity or event. Whether it is Horse Camp, District or State events, Judging clinics, they truly believe in the power of 4-H and Youth Development.

Please join the Kentucky 4-H Horse Program in honoring Larry & Linda Starnes' contributions to the youth of Kentucky at the Dedication Ceremony, Friday, July 9th at approximately 6 pm.

The Kentucky 4-H Horse Program would like to thank our Presenting Sponsor, The Kentucky Corn Growers' Association, for their generous donation to our program for 2010!
