By signing this Qualifying Show Rule Exemption Request Form I am verifying that above information is accurate and true, and I further verify that:

1. Either I or my parents/legal guardians currently operate a legitimate, closed swine herd where, due to herd health considerations, off-site animals are not allowed into the swine herd nor are animals that have been transported off-site from the farm allowed to return to the herd.
2. The market hogs listed above originated from and are being raised and maintained as a part of the closed swine herd.
3. I may participate in any KDA-sponsored swine, but understand that each of my individually K.U.I.P. tagged market hogs are limited to participating in only one KDA-sponsored swine show or the Kentucky State Fair. (i.e., I understand that if any one of my individually K.U.I.P. tagged market hogs is removed from the closed herd and exhibited at a KDA-sponsored swine show, that animal is ineligible to participate in another KDA-sponsored swine show or the Kentucky State Fair.
