

...then this little more than a cage-free hen gets (and remember, she never gets to play outside). No wonder we think other eggs pale in comparison!

At Vital Farms, we raise our hens to the highest humane standards, in a way that's also better for our farmers and kind to the earth. Regular rotation keeps the pastures naturally healthy and covered in grass, so the girls that laid these eggs enjoy a foraged diet that is always chemical-free. We also provide them with a carefully formulated supplemental feed to ensure their specific dietary needs are met. And because all our farms are located where our hens can be outdoors all year round, we believe this all adds up to a difference you'll be able to taste!

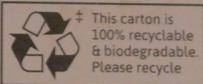

To learn more about our happy hens and plentiful pastures, please visit www.vitalfarms.com

 Calories per gram: Fat 9 • Carbohydrate 4 • Protein 4

*Meets the Humane Farm Animal Care Program standards, which include nutritious diet without antibiotics, animals raised with shelter, resting areas, sufficient space and the ability to engage in natural behaviors.

Our network of small family farms raises hens the way they're supposed to be raised, producing eggs that taste the way they're supposed to taste.

Fed organically and raised on open pasture—not confined in barns or cages—our hens produce eggs with exceptional flavor and nutrition. Better eggs mean fair prices for our farmers, a more sustainable and ethical food system, and food that tastes even better.

Better omelets, better frittatas, better cakes, and better karma.

ENJOY EGGS THE OLD-FASHIONED WAY - NATURAL, DELICIOUS AND GUILT-FREE!

Q: What makes our natural eggs simply better?
A: Our hens live cage-free on a vegetarian feed made with grains and soy beans, with no animal or fish by-products. They live in open "community houses" where they have feed, water, nests, roosting poles and plenty of area to exercise.

It's the Simple Truth
 Easy to find, understand & afford, Simple Truth from Kroger makes enjoying organic, natural & wellness products simply...better.
 All items are free from 101 artificial preservatives & ingredients so you can feel better about the delicious goodness that's in the food you serve your family.

We promise products you can trust as high quality and delicious every time. If you are not delighted, let us know. We will make it right with a replacement or refund at your store.

UNITED STATES PATENT #10197543: METHOD FOR THE PRODUCTION OF A VERIFIED ENRICHED SHELL EGG™

Egg-land's Best® eggs just got Even Better!

Farm Fresh Egg-land's Best® eggs have always been recognized for their exceptional taste. In fact, we've been awarded the Gold Seal as America's Superior Tasting Eggs by the American Masters of Taste.

Now, in addition to their great taste, they are an excellent source of Vitamin D, Vitamin E, Vitamin B3 (Niacin), Vitamin B12 and Vitamin B5 (Pantothenic acid) and also a good source of Folate. Plus, our eggs contain 125mg of Omega 3 fatty acids and 200mcg of Lutein and have 25% less saturated fat than regular eggs.

How does Egg-land's Best produce such nutritious and great-tasting eggs? We feed our hens an improved wholesome, all-vegetarian diet with no animal fats or animal by-products. Laying hens' diets contain no added hormones. Antibiotics are not used in the production of Egg-land's Best eggs. The results: our all-vegetarian diet produces important nutrients and the best taste possible.

So now you can eat even healthier while enjoying the same great "right-from-the-farm" freshness and taste of Egg-land's Best eggs!

Recommended American Diabetes Association/American Dietetic Association dietary exchange:
1 Egg-land's Best egg for 1 medium-fat meat.

*Voted Most Trusted Egg Brand by American shoppers, based on the BrandSpark American Shopper Study, years 2015-2019.

**Painted verification program confirms that Egg-land's Best shell eggs are produced according to a unique program created for nutritional enrichment, food safety measures, and other exceptional egg qualities, including shell strength and yolk color.

Visit www.egglandsbest.com for additional information. © MMXX

SAFE HANDLING INSTRUCTIONS: TO PREVENT ILLNESS FROM BACTERIA, KEEP EGGS REFRIGERATED, COOK EGGS UNTIL YOLKS ARE FIRM, AND COOK FOODS CONTAINING EGGS THOROUGHLY.
